Our plan is to have a plaque made showing the names of all the past and current Synod Men's Council Presidents and their term of office. Fred has given us permission to hang the plaque in the Massanetta Springs Conference Center. The purpose of same is to help bring recognition to all that we have an active Men's Council that is working to add value to the Synod Men. I hope to dedicate the plaque during the 2010 Conference.

Would appreciate any help in filling the missing names/years above.

In Jesus Christ,

Ronald E. Crick
